THE MANSION

The Mansion is a listed classical building situated to the north of Leeds. It commands superb views over the 700 acres of historic parkland, lakes and woodland that comprise Roundhay Park. Built in the early 1800's by Thomas Nicholson as "accommodation for a family of great distinction" he also spent 15 years landscaping the grounds, lakes and trees, creating one of the most beautiful landscapes in the country. Late, in 1871, John Barran, the Mayor of Leeds and a pioneering clothing manufacturer, acquired The Mansion and Roundhay Park as he believed it would make a wonderful park for the people of Leeds to enjoy.

The Mansion has served as a centrepiece for private and public celebrations for over 100 years - feted for its elegant architecture and exceptional hospitality. The Mansion was completely refurbished by Dine in conjunction with Leeds City Council, winning awards for the interior design.

"I just want to say a huge thank you, both to you and all your team, for helping to make our day such a success.

The feedback we've received shows that our staff loved the venue - they appreciated the space to spread out, the relaxed atmosphere and of course, the opportunity to explore outside.

The service from your team was seamless - everything was provided when it should have been and in a very professional manner. You more than exceeded our expectations which were high!"

Emma & Duncan - Bride & Groom

"I've actually been to two weddings at The Mansion, one was early spring and the other early autumn. Both times we had wonderful weather, only deepening the experience as The Mansion is surrounded by Roundhay Park, that looks enchanting when lit in sun. Nonetheless, the indoor of the venue is very well styled and my friends pictures looked remarkable, so no bride has to be too hung up when it rains outside."

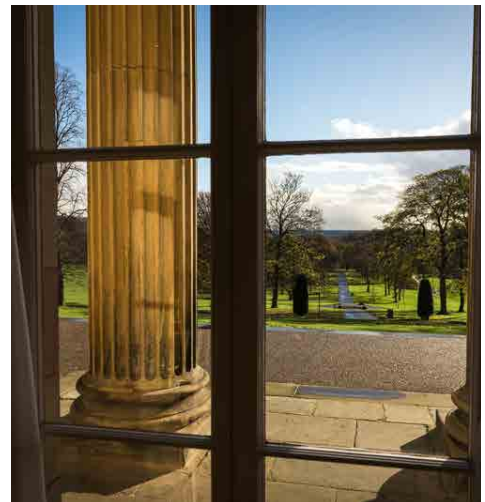

EVENT SPACES

The Mansion offers an array of beautifully appointed and luxuriously furnished rooms, all of which can be used to create the perfect setting for your event:

Spacious, welcoming and flooded with natural light, **the Colonnades** is an elegant room suiting a variety of purposes from civil ceremonies to formal dinners, canapé parties and barbecues! The room's series of French doors offer parkland views and open out onto a private terrace beneath the original colonnades.

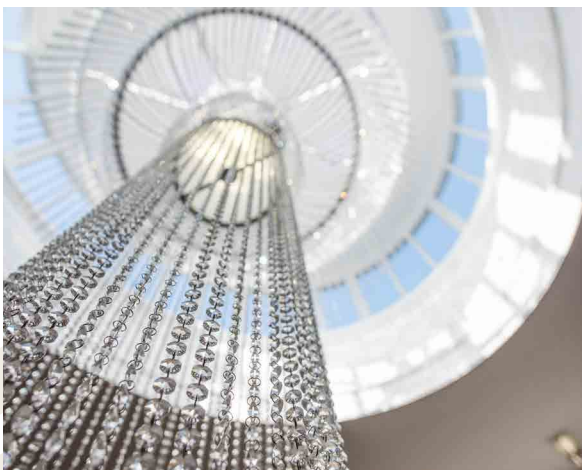

A truly magnificent room on the ground floor of The Mansion, with doors that open onto the terrace. It is licenced for Civil Ceremonies, but is also the perfect space for meetings, dinners and barbecues.

The interior is a subtle blend of original features and contemporary award-winning design. A gentle old-gold colour scheme was chosen for this room in order to marry it with the parkland outside, and this offers guests a neutral but stylish space in which to celebrate.

"A beautiful venue with "wow" factor. All the guests commented on how beautiful it was, especially the stairs and chandeliers"".

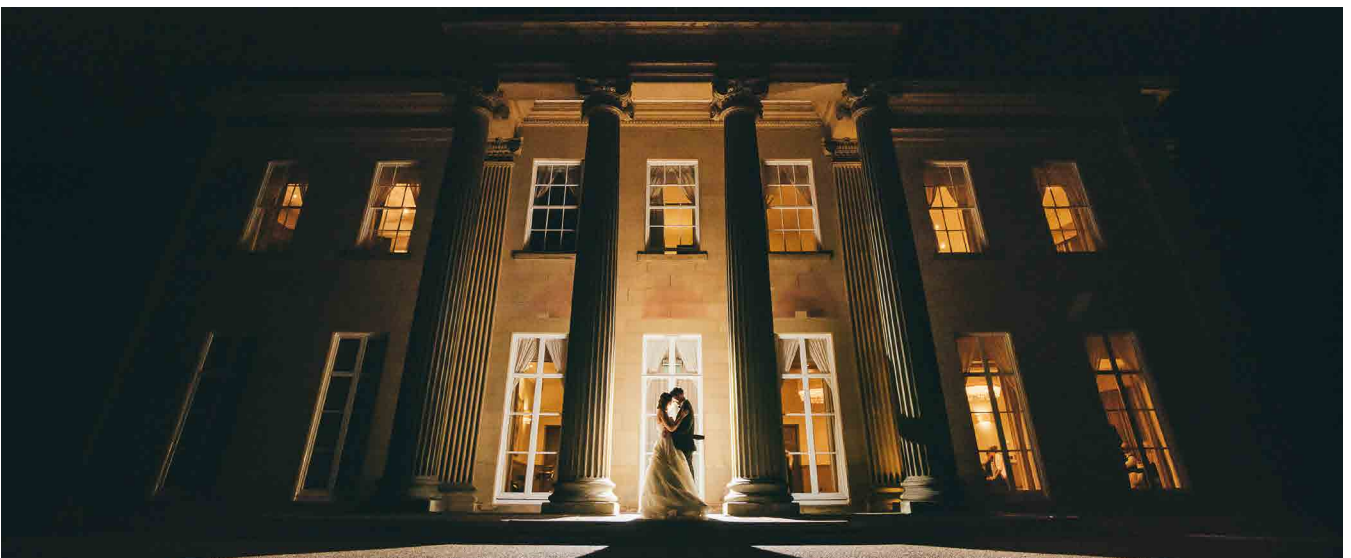

Accessed via The Mansion's sweeping staircase with its cascading chandelier and glass dome, the **Mansion Room**, like the Colonnades is filled with natural light; it's hard to imagine a better view of the beautiful parkland.

Our largest room, the **Mansion Room** is an exceptional location to host any occasion and will leave a lasting impression. Our attention to detail and constant care of the venue is what we call the 'Dine Difference' and is evident from the moment you arrive at The Mansion.

The **Mansion Room** is ideal for dinners of up to 134 guests, and meetings for up to 200. With its own private bar and built in dancefloor, the room seamlessly transforms from day to evening with the intelligent room lighting and integrated PA system.

EVENT SPACES SMALLER MEETING ROOMS

An executive boardroom or an intimate dining room, the **Fountain Room** meets a variety of requirements. Comfortable and stylish seating complement the dramatic oak table and every effort has been made to meet the demands of a meeting room with a touch of elegance and contemporary style.

Interconnecting with the neighbouring **Barran** and **Waterloo Rooms**, the Fountain Room is part of our trio of small meeting rooms which have all the opulence of a boutique hotel, with the attentive service of our Event Managers throughout your event.
