

## **The wedding of Jessica & Ross**

Event Location:  
Loseley Park, Surrey

Event Date:  
June 25th 2022

Jessica and Ross contacted us to provide a string quartet for their wedding which was supposed to happen before the pandemic. It finally happened in June this year and it was totally worth the wait! When we chatted about the ceremony music Jessica explained that they would love music that was Italian or Mediterranean inspired as guests arrived before the ceremony. We had lots of ideas for this which we shared with the couple and they chose their favourites including *Nessun Dorma* and *Gabriel's Oboe* by Ennio Morricone.

For the processional they chose the gorgeous track '*Kissing You*' by Craig Armstrong and for the recessional we sourced an arrangement of one of Jessica's favourite Taylor Swift songs. Jessica's family are Jewish so we timed it so that the chorus was played as Ross smashed the glass underfoot and they kissed and made it official!

We loved working on all the details to make the day extra special and memorable for everyone and this wedding was so stunning with an amazing team of suppliers involved. Jess and Ross were such a lovely couple to work with and we're still in touch and enjoying seeing them travel and enjoy life together now as husband and wife!
